

Quick Guide

**What is a Language Portfolio?**

The student's language portfolio includes evidence, Goals, and I Can verification.

**Accessing iCAN<sup>®</sup>**

1. Open an Internet browser and go to <http://ican.avantassessment.com>. Login into iCAN<sup>®</sup>.

If you are taking more than one language, select the language from the dropdown list.

Click to select/ deselect a specific evaluation level

Click to select/ deselect the type of work to display

Select language

**Evaluation:**

- **I Can (verified)** – teacher evaluated and approved
- **I Can** – student's evaluation that he/she **can do**
- **In Progress** – student's evaluation that the work is **in progress**, not verified
- **Goal** – student has identified as a **Goal**
- **Not Started** – No activity on the **I Can** statement

**Type:**

- **Assignment** – Evaluations on **Assigned Tasks**; shows where student stands relative to assignments.
- **Self-Directed Assessment** – Student's **Goals, In Progress** and **I Can** evaluation; shows where student stands relative to personal goals.
- **Only show I Can Statements with Evidence** – **I Can** statements with attached evidence; must also select **Assignment** and/or **Self-Directed Assessment**.

Click to select / deselect the **Evaluation(s)** and **Type(s)** of activities to include. The results will automatically display.

1. Select **Assignment** to see where you stand related to assigned tasks.
2. Select **Self-Directed Evaluation** to see where you stand related to personal evaluation (Goals, In Progress and **I Can**).
3. Select **Only Show I Can Statements with Evidence** and either **Assignment**, **Self-Directed Evaluation** or both to see where you stand related to both personal evaluation and assigned tasks where evidence has been submitted.

## Quick Guide

### Drilling into details

**Domain**

**Proficiency levels**

Add the counts together to determine the total number of **Assigned Tasked** for the domain + proficiency combination.

Click any box with a graph to see **Assigned Task** evidence and evaluation for the domain + proficiency level combination.

Columns (left to right):  
 Not Started  
 Goal  
 In Progress  
 I Can  
 I Can (Verified)

**What are proficiency levels?** iCAN includes four standards that measure the ability to create and understand the language: Novice; Intermediate; Advanced and Superior.

**Novice:** No functional ability; speech is limited to memorized phrases.

**Intermediate:** Can create with language; ask and answer simple question on familiar topics, and handle simple transactions.

**Advanced:** Can narrate and describe in the past, present and future timeframes and handle complicated situations.

**Superior:** Can support opinion, hypothesize, discuss abstract topics and handle unfamiliar situations.

There are 3 degrees of ability within each of the above proficiency levels: Low; Mid and High.

- Click any box with a graph to see **Assigned Task** evidence and evaluation for domain and proficiency level combination.

## Quick Guide

### Selecting Type: Assignment Only

The resulting view will show the **Assignment** tab, displaying I Can Statements of **Assigned Tasks** at the selected evaluation levels. See the **Drilling into Details** section above for details on screen functionality.

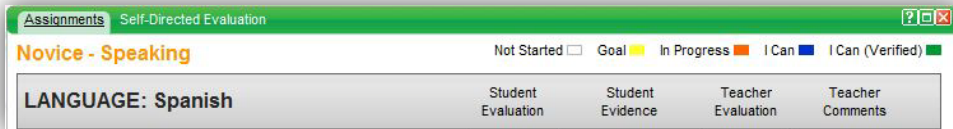

### Selecting Type: Self-Directed Evaluations Only

The resulting view will show the **Self-Directed Evaluations** tab, displaying I Can Statements of **Self-Directed Evaluations** at the selected evaluation levels. See the **Drilling into Details** section above for details on screen functionality.

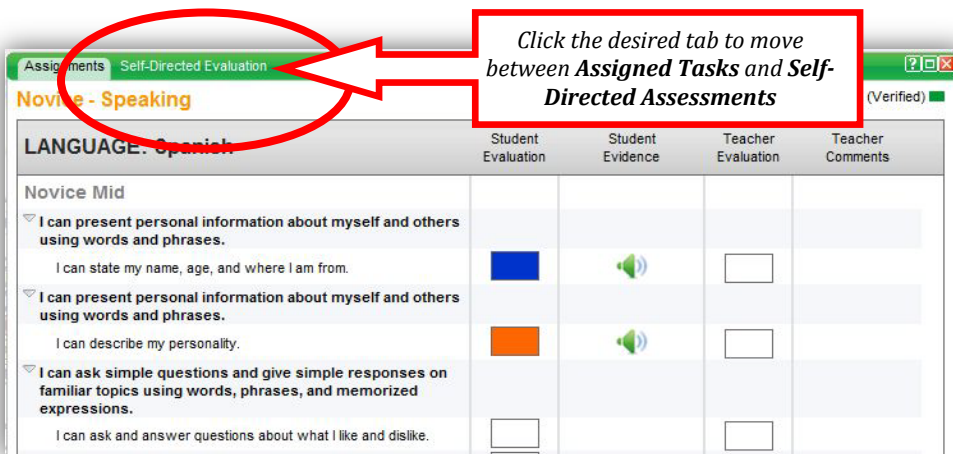

### Selecting Type: Combination – Assignment and Self-Directed Evaluations

The resulting view will show the **Assignment** tab, displaying I Can Statements of **Assigned Tasks** at the selected evaluation levels. Default view is the **Assignments** tab.

Selecting the **Only Show I Can Statements with Evidence** will limit resulting I Can statements to *ONLY* those with submitted evidence.
